EDITORIAL

Apparently the word is out on my point of view involving the use of drugs and unsafe sex out there in drag land. Between the "girls" pointing fingers at one another and the true confessions I received all summer in the mail, I feel I made some dent in at least some of the consciousness of some of my sisters. For this I am very grateful, but we must all continue to encourage all those around us to pull themselves up and out of what can become a hell with no way out for most. Remember there are many organizations to serve as counsel to those in need, regardless of what walk of life they come from!

"Women Of The Year", well, my dears, it sounds like someone in the Big Apple got a great idea for a drag ball, and we are so pleased that our New York photographer "Cim" was there to catch the action in the great photos presented in this issue. Enjoy them please, for Ms. Cim wants to know you love her work. (She hates the slow way I pay her, though.) We are all doing our best in this economy.

And now a look back in time to the 1967 film "The Queen", with some recent photos of the star and others involved in the film, and yes, I am in the film as well; so when the tour of "The Queen" comes to your town, make sure you get a load of me at 16!

Until later, keep those cards and letters coming; photos and stories are especially welcome.

And let there always be love for everyone,
Kim Christy

Women OF THE YEAR

By
GUESS WHO?

Once again New York, known for its many beauty pageants, had one of the most competitive contests of the year, the "Women of the Year" contest, held at the one and only "Sally's Hide'a'way II". The shows hostess for the evening was none other than the multitalented Jessie Torres, which was a great choice. Jessie is so fab on the mike. Janette Valentino was present looking very pleasant. Miss Florida's presentation was black evening wear, and there were some beautiful black

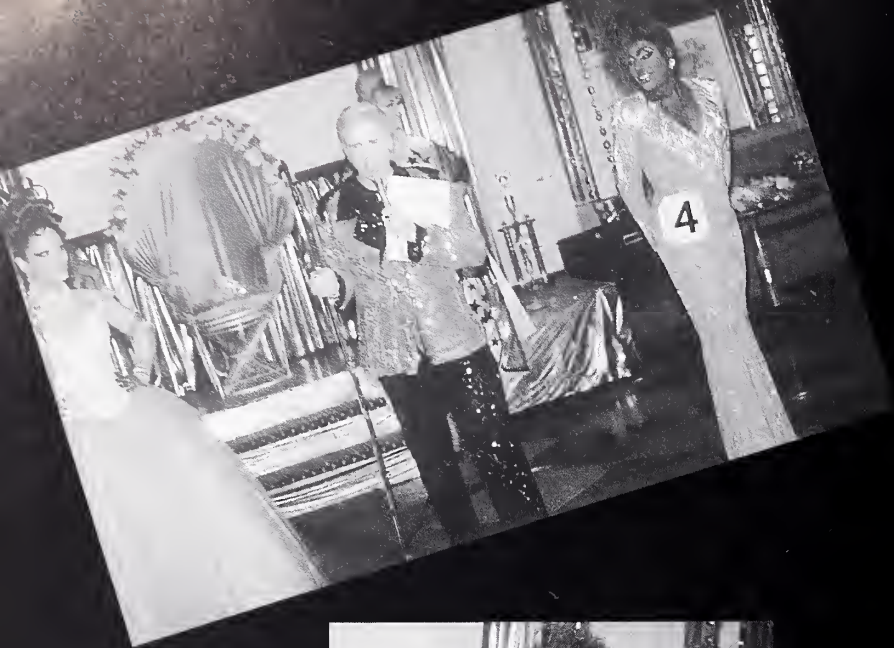

gowns on display. Gina Germain looked very stunning, much to everyone's surprise. You know how vicious some of the houses can be in New York. They smile in your face and stab you in the back. But on to better subjects. Gina looked very fabulous in her presentation. The bathing suit competition was also very good. I was surprised to see contestant No. 5, Diana X-travaganza, looking so damn good. She gave us body. Contestant No. 6, Sylvia Del Rio, also looked stunning.

Diva did well in the swimwear. As you can see, she is contestant No. 4. Brenda Continental performed and looked stunning as usual, Damn, she is very lovely. Dorian Corey also performed, the legend from the movie "Paris is Burning". The talent competition was very entertaining. Tina's costume was very Josephine Baker, while Diana X-travaganza gave us En-Vogue's "Free Your Mind", and she really gave it to you. Go on, Dirty Diana. Contestant No. 6 Sylvia Del Rio's number was soooo-gooooood. She served you Cyb Charrise. She got applause all

through her number. Finally we got to the evening gown. As you can see, all the gowns were very beautiful, from Diva's red and gold beaded gown to Gina's pastel pink gown with black stars, to Sylvia's gold beaded gown, which she changed at the tail end of the pageant to a tiger print sequined gown. Octavia St. Laurent stepped on stage for a minute and sang a few bars. She sounds very soothing. Well we all have our own opinion, as well as our favorite, so we have a winner, and it is Carla Continental. Since the contest there has been quite a bit of shady stuff going on. Well, to start off, the Miss Le Grand Dame was grand indeed.

"The show was controlled by Consuelo Rio, aka, Consuelo Cozmetic of Hollywood. Consuelo scored the highest in all catagories, which eventually secured her the title of Miss Grand Dame 93, and then it's off to the Miss Continental plus in Chicago, so we all thought. But according to sources a bitter contestant and her sponsor, made such a stink about Consuelo

winning, that Consuelo and her sponsor Hector X-travaganza of the world famous "House of X-travaganza", were told that she, and the pageant did not qualify as a preliminary to the Continental plus. Is that shady? Well that's as shady as a elephant in a hot tent in the desert of Cairo. Speaking of

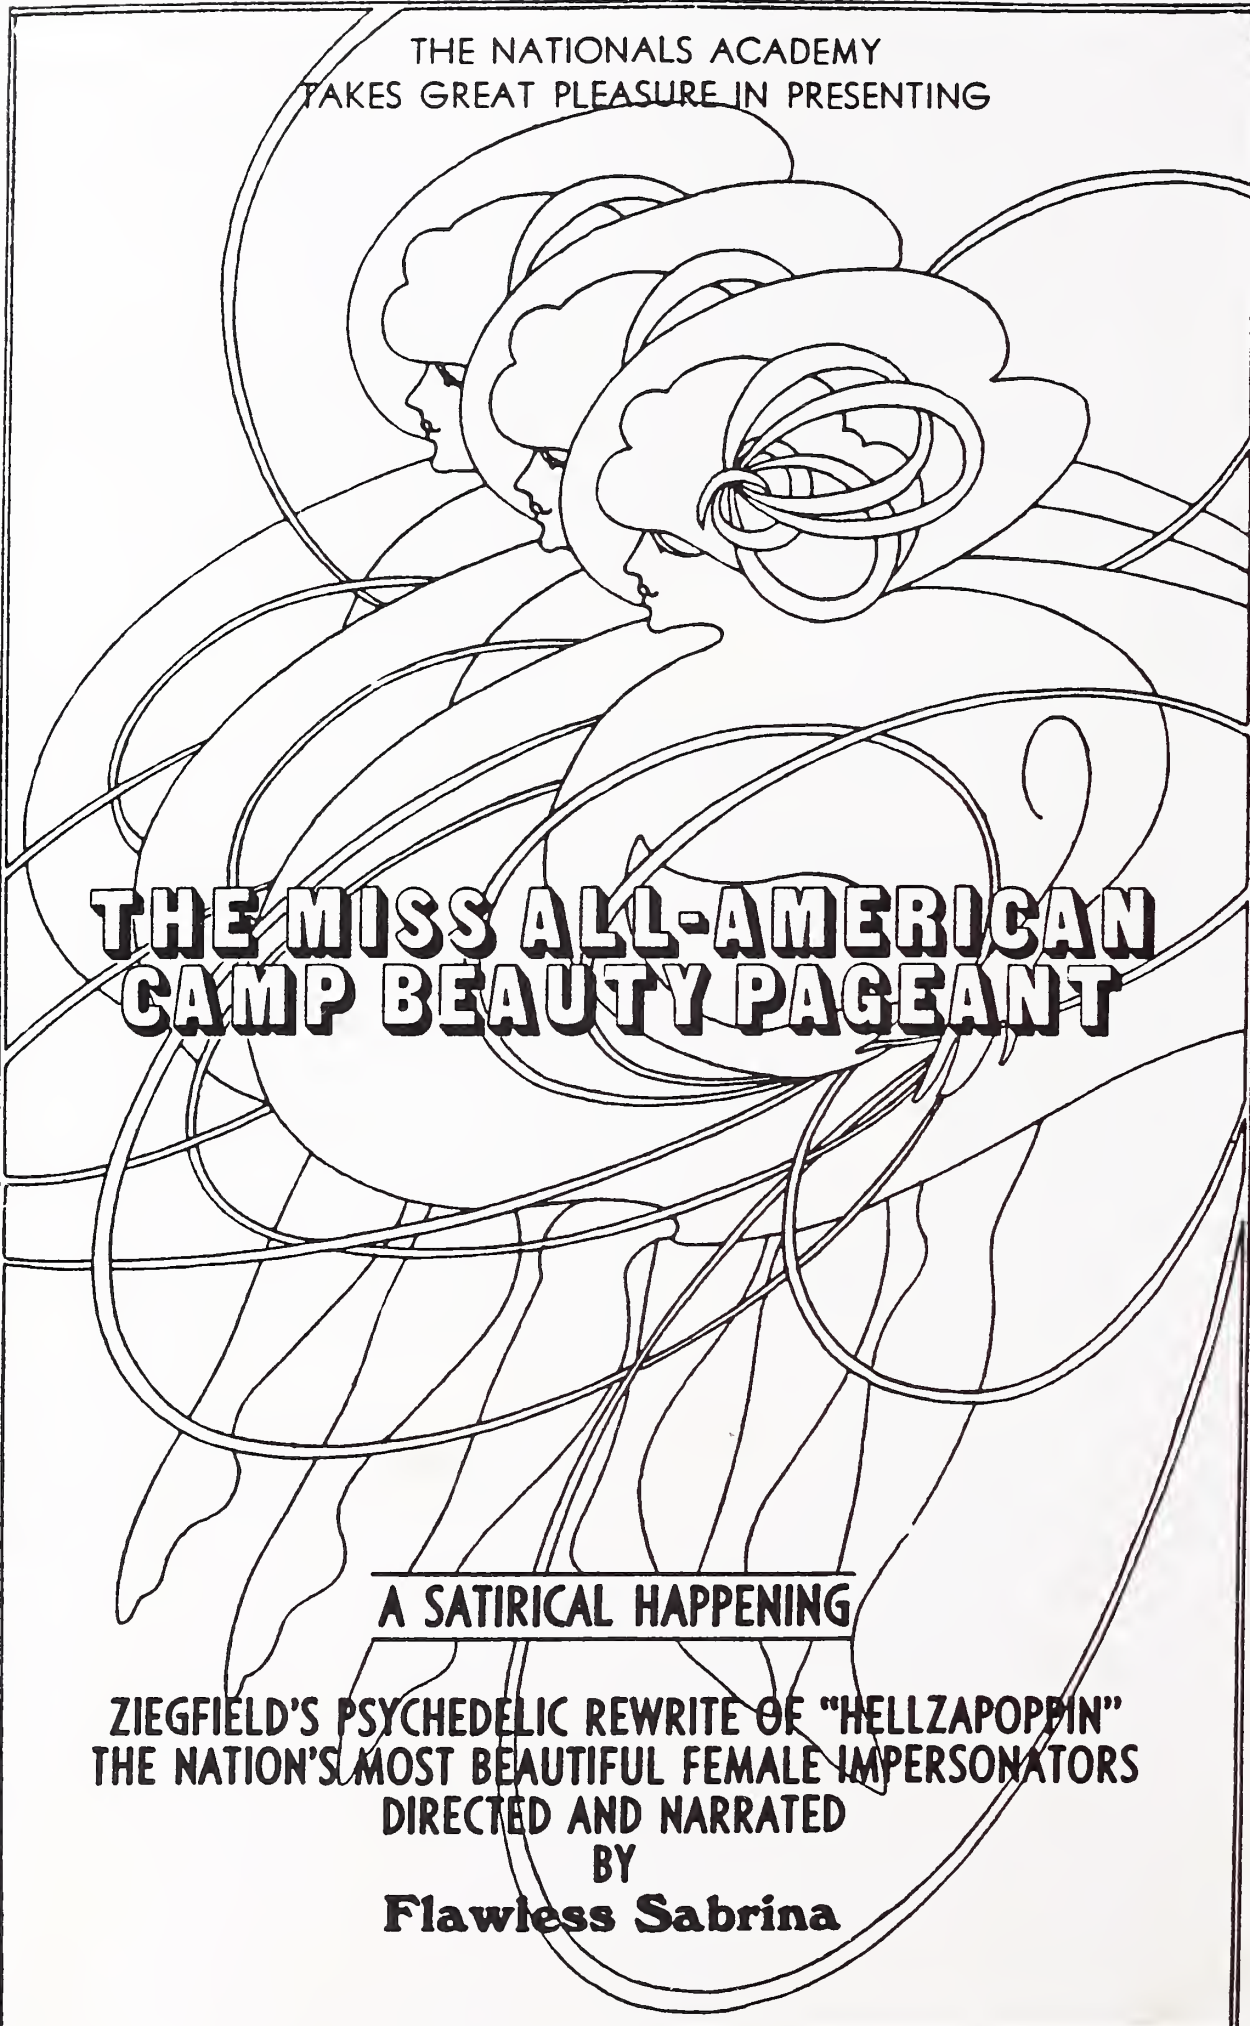

elephants, I later found out they even went as far as the criticize Consuelo's evening gown etc . . . etc. I guess intimidation has no barriers as to how far a insecure contestant will go to win a piece of metal glued to a piece of wood. Until then I'll be seeing you in all those familiar places . . .

Queens' day comes round again

Film Forum dusts off the Flawless Sabrina drag documentary

By DAVID HINCKLEY

Daily News Staff Writer

IF PRESIDENT CLINTON GAVE A speech tomorrow dressed as a woman, Jack Doroshow muses, "The TV networks would probably assemble a panel of distinguished gentlemen afterwards — dressed as men — to discuss it."

Doroshow sees this as enormous progress for the misunderstood field of cross-dressing. "Twenty-five years ago, if Richard Nixon had done that, people would have thought he'd gone nuts. Lyndon Johnson would have been impeached on the spot. Today, I really think Clinton could get away with it. It would cause a stir, but people could accept it."

Doroshow is not suggesting President Clinton is a drag queen. The point is that men in pancake makeup, fabulous gowns, smart dresses and high heels — some of the components of Doroshow's own character, the Flawless Sabrina — are not automatically seen today as neurotic perverts.

Twenty-five years ago, when they often were, the Flawless Sabrina hosted a drag queen ball at Town Hall that was filmed for the movie "The Queen." Tomorrow, Film Forum brings it back, with its behind-the-scenes look at the people under the wigs.

But the real essence of drag, Doroshow says, was capsulized for him one day by a little girl who saw him doing a photo shoot at a zoo.

'A CHEAP HOLIDAY': Jack Doroshow pretties himself (above) and becomes the Flawless Sabrina (r.) in "The Queen."

Documentary Depicts a Camp Beauty Contest

"THE QUEEN" is an extraordinary documentary about the Miss All-America Camp Beauty Pageant held at Town Hall in 1967. The contestants were transvestites from all over the country—some of them winners in regional contests—judged for walking, talking, bathing suit, makeup, hairdo and, of course, beauty. The winners

The picture has a special interest for those who are in the gay world. For the rest of us, it goes a little deeper into conversations held behind closed doors, giving a more rounded characterization to people who ordinarily present the world a painted face, a falsified body, and mannerisms that may or may not be natural. Now we

The occasion is their 1967 contest for Miss All-American, held at Town Hall in NYC.

The approach is documentary, revelatory rather than task-ask.

The effect, as in so many fields of our changing standards, depends more on the eye and mind of the beholder than on the intrinsic merits.

There they are, a bunch of boys, most of them with beards, acting like girls, looking like them, and being like showgirls in a competition.

The pageant's director, "Mistress of Ceremonies,"

"Sabrina" Doroshov, has a particularly black beard. When made up, he looks quite feminine. He is also an earthy, executive type who stands for no nonsense. His protegee from Philadelphia, Miss Harlow (Richard Finochio),

You don't get to know any of these men very well but you want to know them all better, given all that's transpired in the gay community between the time now, you especially want to know what's happened as a result.

It's also fascinating as a window to watch a group of maladjusted people brace all the little tortures behind society's image of

I first saw *The Queen*, Frank Simon's ground-breaking *cinema verité* documentary account of the 1967 "Miss All-American Camp Beauty Pageant" at New York's Town Hall, during the film's brief theatrical release in 1968, only a year before the Stonewall uprising was to thrust gay people and gay life smack into the public arena as never before and re-define, both for us and for the world at large, not only how we asked others to see us, but the way in which we looked at ourselves.

TRANSSEXUAL MOVIE STARS RETURN TO TV SCREEN!

After years away from the limelight and the hot lights of filmmaking, Magnificent Margo and Carnal Candy are back again working with the producer who made them overnight stars in early 1980s. Appearing in what will be the first Shemale soap opera entitled "The Young and The Transgenered", the tongues will be wagging when this feature is released this fall.

Carnal Candy is a whole new woman from the one we all grew to know and love since her debut in such classics as the Shemale Encounters series and "Crimes of Passion". Her acting and film presence is better than ever, and her tits are bigger than you will remember.

Margo's sexual vigor is still the same, full of the stuff that made her famous, always up and ready to go, so to speak. If Shemale legends are of interest to you, and amusing stories with great action get your bells ringing, do not miss "The Young and The Transgenerated," available this fall.

Patrick TO Patricia

by
Francene March

I am a 31 year old woman with a 29 year old husband who I am in the process of feminizing. I began about two years ago after visiting my girlfriend in Florida. My husband Patrick was caught jerking off, wearing my girlfriend's bathing suit in her cabana by her pool. I think I was more embarrassed than he was. It was actually my girlfriend Marge who caught Patrick in the cabana.

She said he was lying back on a chaise with her bathing suit on rubbing his cock in the palm of his hand in a humping motion. She screamed which startled Patrick and myself, and

as I came running I could see Patrick trying to get her suit off. Fortunately Marge's husband had gone to get something at the store. I begged Marge not to tell her husband and I vowed that Patrick would pay.

It was a Saturday afternoon when we got home. We hardly talked the whole flight. I told him he was a disgusting pervert, and I should have let Marge tell her husband so he would have beat the shit out of him. Patrick cried like a baby and confessed to me that he was a transvestite. He said that for as long as he could remember he couldn't resist the temptation of dressing

in women's clothes and the feeling he got from them. He told me he used to borrow his mother's and sister's things all through high school and when he was home from college. I asked him if he ever wore my things and he admitted that he did several times. He also told me he had a stash of women's clothes hidden in the cellar. I was really pissed off, especially at the fact that he was wearing my things. I thought about Patrick and our future and decided that I would teach him a lesson. So in May of 1989 my husband Patrick began the submissive transition to Patricia.

I told Patrick things were going to change and demanded that he was going to do as I said. He asked me what he was expected to do and I told him he would find out soon enough. I told him if he wanted to wear woman's clothes and act like a woman, then he was going to have to do it in front of me and help with the woman's work around the house. At first he objected, but I reminded him that Marge loved to gossip and would love to tell everyone what she saw. Furthermore, her husband would tear Patrick's head off the next time he saw him.

For some reason I felt like I was most powerful person in the world. This feeling of extreme dominance came over me. I was looking forward to humiliating Patrick and embarrassing him as he had embarrassed me at Marge's house.

We wasted no time and started that weekend. I ordered Patrick to take a bath in my body oils and shave all his hair off except of course his head. After a little powder I made him put on panties and pantyhose, a bra stuffed with pantyhose, a slip and a simple silk jersey sheath dress. I styled his short hair with a blow dryer and applied makeup to his face. Some jewelry perfume, and three inch pumps and he was ready to play housewife. He looked totally foolish and obviously like a man wearing woman's clothes. He was having trouble walking in the heels. I laughed at him and told him he'd better get used to them because that's all he would be allowed to wear at home. I took several pictures of him, some with his dress and slip raised. You could see his bulging hardon. He definitely enjoyed being dressed in woman's clothes. He thought this was a one time thing for me to get even and tomorrow he would be back to his old self. Those

pictures were to become my leverage for my plans of totally feminizing Patrick. In a relatively short amount of time I had really gotten into what I was doing to Patrick. It turned me on to see him that way. I set myself a goal that I would have him living full time, as a woman in three years.

Since that time, Patricia has gone through many changes. First of all I only call him Patrick now. He also owns only woman's clothes. He does not own even one sock that is a man's. Unfortunately, we are not yet in a financial position that would allow Patrick to quit his job. That is at least another year or so down the road until I get my master's degree. Because of this, Patrick must still go to work. He must do so in woman's clothes however, because that is all he owns. He doesn't wear dresses though. On the outside he wears women's slacks, a women's man tailored shirt and women's loafers or flats. Underneath he always has on his frilliest undies including a bra and pantyhose. When he goes to work he looks like a woman, with no makeup, dressed like a man. His eyebrows are plucked into a femininie arch. His ears are pierced but he does not wear earrings to work.

He also has a slim feminine waist and I make sure it shows with tight belts on his slacks. As far as I know, no one has said anything to him about how feminine he looks but I am sure they have noticed. Sometimes when I'm feeling real mean I make him wear a dark blue or black bra under a white blouse. He must then wear a sweater or jacket so it doesn't show through. This is most effective when it's summer and he sweats his balls off.

Patricia is not allowed to do anything or use anything designed for a male or male oriented. He lives, dresses and wears makeup completely as a

female at all times except to go to work. He must always act 100% female at home and when we go out. He must only use woman's deodorant including a female hygiene spray so his panties always smell fresh. I even make him wear a sanitary napkin for 6 or 7 days the first of every month. When we go out during his period, I make him carry a spare pad in his purse and then make him go to the ladies room and change it. Of course, he must always sit down to go to the bathroom. At home I make sure there are only woman's magazines around to read. Most of our activities are female oriented. About the only activity that could be generally called male would be stock car racing. We both enjoy it so we go to the local track as girlfriends. When I feel real bitchy I make Patricia wear a mini skirt to the races and make sure he gives the guys sitting in front of us a couple of spread shots. The more I can degrade and embarrass Patricia, the more I enjoy it. I have recently introduced Patricia to cock sucking. In the beginning he objected but he is learning. I also noticed that at one cock sucking lesson he had a raging hardon so I know he really likes it. As of late he has been more cooperative because I now have a video of him sucking off one of my friends from work. I have threatened to show the video and the many pictures I have taken of him to anyone who will look if he doesn't do as I say. I love to go out and fuck with someone and then come home and have Patricia lick and clean my cunt. I make him grade the taste of my lover's cum. If he grades it high, I bring the guy home so he can taste his cum first hand. I noticed that Patricia is grading most of my lovers very high. I think she is developing a taste and a desire for cock sucking and cum
